

STOFER'S LABS

Stud Service Contract

Date _____

This contract is between: Kim Stofer hereinafter known as Owner of Stud, and _____
_____ hereinafter known as Owner of the Dam.

Owner of the Stud guarantees that the dam: _____

will be serviced by Stofer's Bear, Sterling, Rosco, Moses, Bourbon, Caleb, Benjamin or Abraham Farley.

The mating dates are _____, _____, and _____ for a total of ____ matings.

Owner of the Stud guarantees that above mentioned stud is current on all his vaccines and health clearances as listed on stud's OFA page. Owner of the Dam guarantees that the above-mentioned dam is current on all her vaccines. If the Dam has been bred by any other stud in the past, then a recent vet report from a simple brucellosis test is required.

NOTE - Recommended Health Clearances: 1) OFA hip and elbow (X-rays completed by qualified vet and submitted to OFA for certification); 2) CAER eye exam (completed by ACVO-licensed canine ophthalmologist and submitted to OFA for certification); 3) [EMBARK genetic panel](#) (swab test completed at home or by qualified vet and results submitted to OFA for certification).

Owner of the Dam guarantees that the above-mentioned dam has Full Registration on the dam's AKC registration. Owner of the Dam agrees not to hold owner of the stud liable for the death, injury, of sickness of the above-mentioned dam during her stay at Owner of Stud's Kennel.

NOTE: If Dam is not ready to breed when she arrives at Stofer's — and she must be boarded with us until she is ready, a \$40/day boarding fee will be charged until breeding can begin.

The stud fee for this breeding (7 puppies and under) is: pick of the litter puppy.
If the Dam whelps 8 or more puppies, then the owner of the stud will be entitled to a second puppy.
Owner of the Stud will sign litter registration papers for the offspring resulting from this mating when the puppies are 10 days or older.
